

## PRAYER FOR THE LEADERS

1. Decree and declare that the leadership of LPEM comes under the efficacy of the blood of Jesus Christ where grace and mercy prevails over and against sin and judgment and that we live above the authority and dominion of sin. **Rom. 6:14, 8:1-4**
2. Decree that the leadership of LPEM comes into a new beginning of fresh visions and higher dimensions of order, structure, focus and divine protocols necessary for advancing the vision of LPEM. We come into greater levels of effectiveness, and obedience in our different leadership roles. **Isa. 43:18**
3. Pray for a fresh release of diverse manifestations of the Spirit of God upon the leadership at all levels. Pray that God will set the leaders and cause them to flourish according to their gifting. **1Cor 12: 4-12, Eph. 4: 7-8**
4. Pray that every leader in LPEM will through prayer be as David's mighty man Shammah, properly positioned in the epicenter of their assignment to protect and advance their portion. Nothing shall detour, derail or distract them. Declare that Jehovah Shammah is with them and they shall not be moved. **2 Sam.23:8-12**
5. Pray for everyone at all levels of leadership in House on the Rock that the hand of God will be upon them, and give them singleness of heart in obedience to instruction and they will not be stiff necked to instruction. **2 Chron. 30:12**
6. Bind any spirit of unhealthy competition, disloyalty and division at leadership levels; release the grace of unity and oneness of purpose upon them. Pray that God will bind them with strong bonds of peace and love and declare that nothing shall break the bond. **Eph. 4: 1-4; Col 3: 14-15**
7. Pray God to grant every leader the strength of the ox, the speed of the deer, boldness of the lion, sight of the eagle and the heart of love. Cause their zeal to never go down for the work. Pray God to raise men and women with a prophetic voice and a role in this nation. **Ps 18: 32-34; Hab 3: 19; Isa 62: 1-5**
